ANALYSIS OF STUDENTS FEEDBACK FOR TEACHERS APPRAISAL (2015-16)

According to the students' feedback:

All the teachers were punctual and met their classes regularly.

Although students were satisfied with the presentation of teachers in classroom but they wanted that teachers should give some more examples, use technology and also make use of vernacular language.

Majority of the teachers were well versed in their subject and competent enough to deal with students in the class room.

Most of the students felt that teachers tried to make their lessons interesting by the use of different methods and approaches of teaching.

Students felt that majority of the teachers provided democratic environment and freedom to ask questions in the classroom and also provided answers to their queries.

Students felt that the teachers motivated them to participate in teaching learning process.

Annexure-III

Annexure-3(Best Practices)

A) Best Practice-I

1. Title of the Best Practice- Peer Evaluation of Teaching

We conduct peer evaluation of the students at least two times during the session. The Student is evaluated by two faculty members of neighbouring institute/ Head of the Institution other than parent institute.

2. Goal(Objective):

The objective of the 'best practice' is to improve the Academic quality and also to point out and rectify defects, if any, so as to make the learning more effective

3. The context that required initiation of the practice:

The student and faculty members gets good opportunity to share the experience of senior academicians in teaching learning. This will help them to develop good learning skills. The weakness or defects, if any, can be rectified. The overall performance of the student's can be improved. A cordial relation among the stakeholders can be developed.

4. Practice:

A group of students is evaluated by the peer. Evaluation process is conducted by faculty members of neighbouring institute/ Head of the Institution other than parent institute. All the teachers and students of the Institute are involved in the process. During the peer evaluation observations are noted and communicated to the faculty Members, Principal and Management for improvement if necessary.

5. Evidence of Success:

The regular improvement in learning skill in most of the students is a clear evidence for the success of the practice.

6. Obstacles faced strategies adopted to overcome them

No major obstacle faced to adopt this practice.

7. Resources Required

For the implementation of the 'best practice' no special resources are required.

B) Best Practice-II

1. Title of the Best Practice- Annual Teaching Plan

2. Goal(Objectives):

- a. To generate action oriented teachers who will be committed to achieving desirable outcomes.
- b. To ensure the sustenance and enhancement of learning skills in keeping with the curriculum.
- c. To enable teachers to frame flow charts for curriculum transaction.
- d. To enable the teachers to develop a deep insight into various needs of students.
- e. To develop management skills in the faculty members and timely execution of activities.

3. The context that required initiation of the practice:

It is observed that the monitoring of curriculum transaction in different sections of class is necessary for the Head of the Institution. There is need of a mechanism to monitor the progress of curriculum transaction by the faculty is upto the mark or not. For this purpose Annual Teaching Plan mechanism is adopted by the Institution framed by the IQAC.

4. The Practice:

Each faculty member prepares his/her tentative plan for the transaction of curricula and contribution in co-curricular activities. Execution of the Class and practical is mentioned in the execution table. On every Saturday it is put-up on the table of the Principal. Principal cross verified the details provided by the faculty randomly during the next week. Reference books, Question Papers, evaluation reports, co-curricular activities also recorded by the faculty members in his/her dairy.

5. Evidence of Success:

All faculty members completed their syllabus on time and record is maintained by the institution.

6. Problem encountered

No major obstacle faced to adopt this practice.

7. Resources Required

Printed prescribed Dairy designed by the IQAC is provided by the Institute.

8. Impact of The Practice

All the faculty members actively contributed their skills in transaction of syllabus as well as co-curricular activities. Regular feedback taken by the Principal on the basis of their execution report, hence syllabus completed on time.
